As this fiscal year draws to a close, we want to thank all of our volunteers who make this Chapter special. The board and membership of the Chapter wishes to extend our gratitude to all of our speakers for their time and effort in providing these educational and informative seminars. ## **Gulf Coast Chapter**

### ***Anne Lawler, Chapter President***

The Gulf Coast chapter of the FGFOA wrapped up our fiscal year with the Chapter annual meeting held on June 8th, 2017 at Bascom's Chop House in Clearwater. The Officers and Directors for FY 2017-2018 were elected at that time. There was one opening for a Director position. An election was held between two interested candidates. The results of that election were announced the day after the annual meeting.

The candidate who did not win election onto the Board has agreed to head up a Web Committee for the Chapter. The purpose of this committee is to facilitate our organization's efforts to provide more services on-line. The use of PayPal this past year has proven to be a cost and time savings to our Treasurer and members. We want to further this by providing on-

line services such as renewing memberships, registering for conferences and luncheons, paying for those items, obtaining CPE certificates and a library for presentations.

Our 2016-17 year included hosting two one-day CPE conferences and three luncheon business meetings.

Our Fall Conference was held in October at Pinellas County Cooperative Extension. This is an annual event offering 8 hours of CPE credits. This year we hosted 67 attendees. Due to the approach of Hurricane Matthew on the day of our conference, there were last minute changes to our topics and speakers. Our speakers and their topics were Andrew Laflin, CPA, CliftonLarsonAllen doing double duty speaking on “Fraud” and “Best of Accounting for Complexities Facing Local Governments;” Jim Scull, Purchasing Manager, Procurement Card Services, University of South Florida presenting “PCard Operations in the Public Sector: PCard Services at the University of South Florida; and Piotr Krekora and Pete Strong, Gabriel Roeder Smith & Company spoke on “More of the Same . . . Are You Ready for GASB 74 and 75?.”

In February, we held our Winter Investment Conference in the Jenkins Room at the Largo Library. There were 65 in attendance. This conference is an annual event specifically geared towards investments and offers 8 hours of Investment CPE. Our presenters included Greg Holden and Chris McAvoy from Manning & Napier, Thomas Tight from Public Trust Advisors, Andrew Laflin of CliftonLarsonAllen, Richard Pengelly from PFM Asset Management LLC and David Jang with Wertz Capital Advisors. The conference was well received and serves as an economical way for meeting investment education requirements.

Ken Burke, Pinellas County Clerk of the Circuit Court and Comptroller was the speaker at our luncheon held on December 08, 2016 at Bascom’s Chop House in Clearwater. He spoke on Leadership to the 85 members that were in attendance. It was a very inspirational session that was enjoyed by all who attended.

Andrew Burnham, Director of Financial Services Practice for Stantec presented “Sustainable Rate & Financial Practices” which offered some insight on utility pricing trends and average costs across the United States. This luncheon was held at Bascom’s Chop House on April 20, 2017 with 68 attendees!

Patti Graganella, Chief Administrative Officer for the Florida League of Cities spoke at our annual chapter meeting on June 8, 2017 at Bascom’s Chop House. There were 59 members in attendance. She spoke on “Best Practices in Hiring and Interviewing People.” It was an interactive session with many questions from those in attendance.

Following is the list of Officers and Directors for the 2017-2018 fiscal year as approved by members in attendance at the June 8, 2017 annual meeting:
