The scholarship covers the \$1,200 enrollment fee, which includes two years and ten exam attempts. The only requirement is that they have a paid/current GFOA membership. Even though we will have a Reciprocity Agreement with GFOA, which will give CGFOs the right to register for \$600 with one year of participation and 5 exam attempts, recipients of this Scholarship will have two years to finish and 10 exam attempts.

Ms. Licourt moved, seconded by Mrs. Schnirman, to approve notifying all people earning their CGFO designation between October 1, 2023 and September 30, 2024 to let them know about the opportunity and its terms offering 2 scholarships annually. Motion passed unanimously.

Title of Item: On-line Testing Guidelines

Executive Summary, Explanation or Background:

When the guidelines for taking online exams were developed, we did not address a time limit on taking exams once a candidate registered for an exam. We expected that candidates would register to take an exam when they were ready to take it, same as when in-person exams were given.

Content

When candidates registered for in-person exams, they registered and took an exam within a short period of time and no-shows were not provided a refund except for extenuating circumstances on a case-by-case basis. There are 30 candidates who have registered for exams that have not taken them in over 4 months (some as high as 9 months) making it hard to implement quarterly scheduling of exams to ensure candidates who fail an exam don't take the same one twice in a row. Also, as newer versions of test questions are implemented, it seems unfair to have old versions available for lengthy periods of time suggesting the need to implement a timeframe for taking exams. If a time-limit is imposed, the platform we use to register exams will make it a simple process to administer.

Recommended Action:

Board approval to implement a three-month time limit for taking exams after registering for them and providing 30 days-notice to candidates registered over 90 days to take their exams before they expire.

In this interactive session, speakers will share promising approaches and provide practical strategies on how to overcome stakeholder feedback that procurement is too slow, too complicated, and too bureaucratic. Specific focus will be on using technology to address common procurement pain points, building relationships across finance and procurement, and creating an environment for partnerships with vendors that foster innovation, generate results, and maintain accountability.</p> <p>CPE: 2.0 Hours (TB)</p> <p>Speaker: Hope Patterson Project Leader, Partners for Public Good (PPG) Brent Westergren Project Leader, Partners for Public Good (PPG)</p>		<p>Title: Economic and Market Update</p> <p>Date: Saturday June 14, 2025 Time: 8:00-9:40 am Topic: Come hear an update on the economy and interest rates following recent Federal Reserve actions, and how it impacts investment options for local Florida governments.</p> <p>CPE: 2.0 Hours (TB)</p> <p>Speaker: Mel Hamilton Senior Vice President, Chandler Asset Management & possibly another associate</p>

Moderator Guidelines
2024-2025 FGFOA Conference Program

You are responsible for the session. The following guidelines have been developed to help ensure that your workshop/seminar runs smoothly.

Approximately one to two weeks prior to the session, moderators should:

- ◆ Familiarize yourself with the workshop title, description, and objectives; enabling you to be an active participant in the session and not just the “host” behind the podium at the start and end of the session.
- ◆ **Schedule a call with the speaker(s) to coordinate the presentation.** Review the timing for the workshop (how long each speaker will present, how long the question-and-answer period will be, etc.)
 - ◆ ~~If an “Fireside Chat” session, reach out prior to 2 weeks before the conference to work on the session arrangement, content and questions.~~
- ◆ Remind them of dress attire for presentation – dress shirt & sports coat requested ties optional. For women, appropriate business attire.
- ◆ Ensure that speaker engagement forms and biographies have been returned to the FGFOA staff by your speaker(s). Remind about deadline for power point presentation.
- ◆ Prepare questions to ask in case there is no audience participation; engage the audience and ask the first questions to gain others participation
- ◆ Review the introduction (biographies) of the speaker(s). Make sure you know how to pronounce his/her name.

During the session, moderators should:

- ◆ Arrive at your workshop/seminar early to meet with the speaker(s).
- ◆ Start on time.
- ◆ Welcome everyone to the program. **Example:**

Welcome to the [TITLE OF WORKSHOP] session. Explain a little about the session. Remember to turn cell phones off or have on silent. You will self-scan your badge at the end of the session. Stress to the attendees to please remain quiet until the completion of the Q&A period so the audience can hear questions and responses. Remind attendees to complete the online survey on the APP for session evaluations. The link was emailed to attendees in advance and is available on the FGFOA website at www.fgfoa.org. Now, let me introduce your speaker(s) for this session:

- Introduce the speaker(s). Never begin your introduction with a confession. (An example is, “John and I haven’t had a chance to get together, so please hang in there and we’ll do our best.”). Be direct and positive.
- End your introduction with the speaker’s name.
- After your introduction, lead the applause to welcome the speaker(s).
- Keep the session on time. Do not hold the majority of the audience for the sake of a few. If a speaker is running over, politely interrupt or signal him/her. This is especially important for a panel.
- **The FGFOA strictly prohibits the solicitation of vendor products or attacks against other vendors. All material presented should be educational only and appropriate for the session. Speakers are told in their instructions that this is not allowed. Anytime you feel your speaker(s) are making inappropriate comments in your session, you should notify an FGFOA staff person or Board member immediately.**
- If time permits, open the floor for questions. Use hand held wireless microphone to ensure the entire audience hears the questions. If not available, repeat the question and repeat the answer if necessary. Make sure you have several questions prepared to ask. Usually, when one person asks the first question, others will participate. If others hesitate, be that first person to ask a question.
- Allow yourself a few minutes at the close of the program to thank the speaker(s) and audience, and to offer any concluding remarks, and present the gift to the speakers.
- Remind the attendees to complete the online survey on the APP for the sessions.
- **Remind attendees to get scanned at the self-scanning stations.**

- ~~Your Moderator Package contains a Moderator Session Evaluation please complete and turn into the conference registration desk~~

“Evolution Series” Moderator Guidelines
20252024 FGFOA Conference Program

Moderating an Evolution Series Session: Guidelines for Success!

Welcome aboard as an Evolution Series moderator! These guidelines will help you prepare for a smooth and engaging session.

Two Months Before Your Session:

- ◆ **Connect with your speaker(s):** Schedule a call to discuss the presentation format. Emphasize the conversational nature of the series – it's more dialogue than lecture.
- ◆ **Shape the session content:** Collaborate with the speaker(s) on the session structure, topics, and questions. Remember, you play an active role!
- ◆ **Become an expert (lite):** Talk with the speaker(s) beforehand to understand the subject matter and session outline. This allows you to formulate insightful questions.
- ◆ **Craft conversation-starting questions:** Develop questions that spark deeper discussions and a memorable session. Plan these in advance during your call(s) with the speaker(s).
- ◆ **Audience participation? It's up to you!** Decide with your speaker(s) whether the session will be solely speaker-driven or open to audience interaction. If opting for audience participation, prepare additional content in case of low audience engagement.

Remember, you're the facilitator! Your role is to guide the conversation and ensure a lively, informative session. By following these guidelines and collaborating with your speaker(s), you'll create an exceptional Evolution Series experience!

Approximately one to two weeks prior to the session, moderators should:

- ◆ Remind them of dress attire for presentation – dress shirt & sports coat requested ties optional. For women, appropriate business attire.
- ◆ Ensure that speaker engagement forms and biographies have been returned to the FGFOA staff by your speaker(s). Remind about deadline for power point presentation.
