

The GASB is conducting a survey of preparers on interim financial reporting. Please take a moment to complete the quick survey to further their research on this topic. This is an opportunity to impact future GASB guidance on this important topic.

From: GASB Director [<mailto:director@gasb.org>]
Subject: GASB Survey on Interim Financial Reporting

The Governmental Accounting Standards Board (GASB) is conducting a survey of preparers of state and local government financial statements regarding interim financial reporting. The survey is part of a GASB research effort that, in part, will evaluate the need for specific guidance related to such interim financial reports. (Further information about the research can be found at the bottom of this invitation.)

The survey generally should take about 15–20 minutes and can be accessed by clicking [here](#). *You do not have to prepare GAAP-based interim financial reports to take the survey.*

If you would like to review the survey before responding, you can download it in its entirety from the first page of the survey. You also can save your survey answers once you have started and return to complete the survey later.

The deadline for completing the survey is Friday, December 6, 2019.
Thank you in advance for your feedback. Your input is vital to the GASB's efforts to improve accounting and financial reporting.

If you have any questions, please feel free to contact Emily Paul (ecpaul@gasb.org). We look forward to hearing from you.

Sincerely,
David R. Bean
Director of Research and Technical Activities
Governmental Accounting Standards Board

Information about the research:

The focus of this research is to evaluate the importance of financial reporting in conformity with generally accepted accounting principles (GAAP) for a period less than a year and to assess the need for specific guidance related to such interim financial reports.

Further information about the research can be found on the [dedicated page on the GASB website](#).
