

Now Accepting Applications for 2019-2020 FGFOA Committees

A message from Ken Burke, President-elect:

We need you to sign up for the 2019-2020 Standing Committees to carry on the work of the FGFOA and help our organization continue to thrive.

Our committees are the heart of the FGFOA, helping with everything from technical analysis to ensuring that we have world class training opportunities for members. Committee members are an integral part of the development of ideas that address the collective concerns of FGFOA's members. Serving on a committee is your opportunity to make a difference and provides a means to strengthen your leadership capabilities. Committee membership is a networking opportunity that enables volunteers to expand their knowledge, to learn from others, to be mentored or be a mentor, and helps to establish lifelong friendships. I am confident that one of the committees will appeal to your passion, interest, and/or expertise. A brief description of each of the 8 committees is on the website as well as on the application form. Each committee meets at the Annual Conference, but after that meeting, the work can be done right in your office or anywhere else you choose.

As your President-Elect, I look forward to working with you next year.

If you are currently serving and wish to continue, please complete the [2019-2020 Online Committee Application](#).
