

## Bylaw Amendment Update

A few weeks ago, the FGFOA Board of Directors sent out a proposed By-Law Amendment that would make changes to the nominating committee, board composition and election process.

The Board of Directors would like to thank all the members who took time out of their busy schedules to review the proposal and send in comments.

The Board has listened to this member feedback and decided not to move forward with the proposal on the 2019 ballot. We will come back to the membership with a new proposal in the near future.
