

**Our Next FGFOA Free Internet Based Webinar:  
“Understanding Your Financial Statements”**

**Thursday, February 9, 2023**

**2:00 p.m. – 3:40 p.m. EDT**

**CPE: 2 Hours CPE Type: Accounting & Auditing (Accounting/Technical)**

**Presenter: Zach Chalifour, CPA, Partner, James Moore**

**Overview:**

Following a quick refresher of the structure and makeup of governmental financial statements, this session will take a deep dive into where to find the “important” information and how to measure or assess the financial health of your organization. This session will also take an extensive look at communicating with those outside the finance department such as elected officials – what matters to them and how do you effectively communicate some of these complex concepts?

**Learning Objectives:**

- Review baseline structure of governmental financial statements
- Focus on key health measurements and benchmarks in evaluating a government’s financial health
- Enhance understanding of governmental financial statements from an outsider’s view and related communication strategies
