

GFOA Fiscal First Aid Resource Center

Government Finance Officers Association (GFOA), the national association, has developed a number of **Fiscal First Aid** resources to help organizations through the fiscal crisis. The centerpiece is a 12-step process to guide local governments through the initial diagnostic, treatment, and recovery phases of financial distress. GFOA staff members are working to keep resources updated and add new tools, recommendations, and guidance based on member challenges and feedback.

Currently, GFOA is offering:

- Free access to past Fiscal First Aid **webinar recordings**
- Planned **schedule** of at least one new webinar per week
- New GFOA research, including the following white papers with more research papers coming soon:
 - Just released! **Balancing the Budget in Bad Times**
 - **Cash is King**
 - **Maintaining Treasury Operations During the COVID-19 Crisis**
 - **Working Remotely: A Guide for the Public Sector**
