

Input Needed on Revenue-reducing Bills

The FGFOA Technical and Legislative Resources Committee is seeking your input. Please provide some data as to how these bills would impact your revenues by clicking the link below.

1. What would the impact of HB 7015 be to your general revenue budget if another \$25,000 exemption were to be applied today?
2. What would the impact of HB 7017 be to your general revenue budget if the exemption were to be adjusted by a consumer price index adjustment annually?
3. What would the impact of HB 609 be to your general revenue budget if the Local Business Tax was repealed?
4. How might your government compensate for the deficit for these funding losses?

Links to the bills are below for reference:
