The FGFOA is proud to announce the ACE (Advance Commitment to Excellence) Awards!

The FGFOA Board of Directors understands the importance of innovation in government. There are many examples across our membership of outstanding work that is being done on a daily basis. In an effort to share these stories, celebrate successes and learn from each other, the FGFOA is proud to present the 3rd annual ACE Awards.

The project should have been implemented in the last eighteen months. All current FGFOA member agencies are eligible to apply.

Winners will be announced during the Tuesday Business Luncheon on June 27, 2017 at the Diplomat Resort & Spa, Hollywood, FL.

Please submit your application by the **deadline of March 1, 2017**.
