The FGFOA Free Internet Based Webinar Series presents
Cloud Computing: Risks and Controls

**Thursday, January 19th,
2:00 p.m. – 3:40 p.m. EDT
CPE: 2 Hours TB**

Field of Study: Information Technology – Technical

Presenters: John Christly, Chief Information Security Officer, Netsurion and Eventtracker and William Blend, Shareholder, Moore, Stephens, Lovelace, P.A.

Cloud Computing: Risks and Controls

As more opportunities to go to cloud computing become available, this webinar will educate the government finance officer about trends, risks and impacts of cloud computing. The webinar will also review risks and internal controls that should be considered when using cloud-based systems.

Learning Objectives:

- *Identification of risks and concerns when moving to the cloud*
- *Understanding data breaches*
- *Knowledge of GOA service level agreements*
- *Adherence to COSO ERM Internal control model*

CPE Reporting Verification: Your participation will be recorded through the webinar software. You must be present and signed in the entire 100 minutes to receive credit. The FGFOA will receive a verification report after the webinar and will prepare the CPE certificates. You should receive your certificate via email in approximately 30 days.

Participation is free and only available to current FGFOA Members

You will need your FGFOA member ID to register for this webinar your ID is highlighted below
