

FGFOA COACHING PROGRAM

FOR COACHEE:

Do you need someone to...

- ...help you define your career desires and goals?
- ...assist you in developing a long-term career plan?
- ...support you through the challenging moments in your profession?

Call Your Coach!

Your coach will be a source of advice and guidance, and help you along the path to success in your professional life. You'll feel motivated, empowered and capable of achieving your true career ambitions.

FOR COACH:

Do you have...

- ...knowledge and experience to share?
- ...the desire to help others along their path?
- ...the will to pay it forward because someone helped you in the past?

Answer the Call!

Your coachee needs someone to help them define and develop a plan to achieve their career desires and goals. Your coachee also needs support to guide them through the challenging moments of their career.

Applications can be found on the FGFOA Resources page: <http://fgfoa.org/resources/coaching-program>
