Call for Legislative Committee Applications

As a finance professional, you have a unique insight into how the actions of the legislature impact your organization and operations. The FGFOA Legislative Committee is a diverse team covering all types and sizes of governmental agencies with the critical task of considering the impacts of pending legislation and sharing those facts with the Florida Association of Counties and Florida League of Cities so they can make our voices heard in Tallahassee.

We need you to join us to broaden our perspective and strengthen our voice! The time commitment is February through May 2017 and involves weekly or biweekly conference calls. Please share your experience, knowledge and insight to make a real difference in the future of Florida by volunteering to join the FGFOA Legislative Committee.

If you are interested in joining the Legislative Committee, please contact the Chair of the Legislative Committee, [April Shuping](#) directly to volunteer.
