## **Reminder -- Now Accepting Applications for 2018-2019 FGFOA Committees**

### **A message from Kent Olson, President-elect:**

We need you to sign up for the 2018-2019 Standing Committees to carry on the work of the FGFOA and help our organization continue to thrive.

Our committees are the heart of the FGFOA, helping with everything from technical analysis to ensuring that we have world class training opportunities for our members. A brief description of each committee is on the website as well as on the application form. I am confident that one of the committees will appeal to your passion, interest, and/or expertise. Each committee meets at the Annual Conference, but after that meeting the work can be done right in your office or anywhere else you choose. Meetings are held via telephone, with rare exceptions, to limit travel expenses and be more efficient for our committee members. Serving on a committee is a great way to give back to the organization as well as to meet colleagues from around the State. As your President-Elect, I look forward to working with you next year.

If you are currently serving and wish to continue, please complete the 2018-2019 Online Committee Application.

**Complete your application today online at by clicking on the link below:**
