We are pleased to present the program and registration for the 2018 FGFOA School of Governmental Finance. The theme this year is *Leadership: Under Construction*. Come join your peers to discuss timely issues, receive critical refresher material and join in the critical conversations.

What Sessions are best for you?

The school offers educational sessions for the entire week. There are two segments offered, and you may register for either or both sessions:

Basic/Intermediate: 2-1/2 days beginning Monday morning and ending Wednesday at noon. The Basic/Intermediate courses are tailored for all financial support staff and for the staff person just beginning a career in governmental finance. In these sessions, participants will be exposed to an in-depth study and analysis of basic governmental finance concepts and principles. These sessions are also informative for anyone wishing to further expand their area of expertise, or just reacquaint themselves with the fundamentals of governmental finance. In other words, they provide a great refresher course!

Intermediate/Advanced: 2 days beginning Wednesday afternoon and ending Friday at noon. The Intermediate/Advanced courses are tailored for seasoned finance professionals looking for information on current more-complex issues.
