

The City of Fernandina Beach, FL, is seeking a Comptroller. The City of Fernandina Beach, located on Amelia Island, approximately thirty miles from Jacksonville is a thriving island community with a diversified economic base, including tourism and industry. The current Comptroller is scheduled to retire in January, 2019, so the City wishes to hire a successor in order to provide for an appropriate transition. Under the direction of the current Comptroller, the City has achieved outstanding audit reviews, enhanced financial stability, and implemented new software. Future challenges and opportunities include continued Hurricane Matthew recovery, software implementation, and capital funding. Senior City staff is tenured and stable. Total budget (excluding pension funds): \$73,000,000; General Fund budget: \$18,000,000. Complete job description available at www.fbfl.us.
