

SHARON R. BOCK
Clerk & Comptroller
Palm Beach County

EXEMPT OPPORTUNITY

IT Internal Auditor/ Internal Auditor, Senior/ Associate Auditor

The Clerk's office has three Auditor opportunities available. All of the positions are responsible for providing professional auditing and investigative services and evaluating the effectiveness, efficiency and economy of operating policies, procedures and systems. These positions determine compliance with laws and regulations and investigate instances of fraud, waste, abuse, unethical conduct and mismanagement. Employees determine the scope of projects, obtain information and documentation, and observe and evaluate activities. Results are formally reported to ensure the continued identification and effective management of risk. The IT Internal Auditor primarily focuses on information technology business systems and operations. The Associate Auditor will primarily focus on guardianship cases.

Bachelor's degree in Accounting, Business, Computer Science, Management Information Systems or related field, supplemented by five (5) to six (6) years of recent and relevant experience. Additional certifications preferred.
