

**Senior Financial Analyst-Grants
CHARLOTTE COUNTY, FLORIDA**

Join Charlotte County's team!

Located on the gulf coast of Florida, with a population of over 150,000, Charlotte County is spring training home to the Tampa Bay Rays and home to their A-Advanced affiliate, the Charlotte Stone Crabs. The county has one incorporated city in an area of over 600 square miles and County employees can be seen working and providing for the full complement of municipal services to County residents. Charlotte County is a great place to live, work and play, with a pristine harbor, beautiful beaches and much conservation land. Redfish and tarpon fishing are tradition.

The Senior Financial Analyst performs highly responsible, professional, lead accounting work including varying degrees of participating in the financial accounting, revenue collection, financial reporting, forecasting and budgeting for County departments.

This position will work directly with grant funding and various granting agencies. It will include working with State and Federal funding including grant applications, agreements, reporting, compliance, audit preparation and other grant activities.

Minimum Education and Experience: Bachelor's Degree in accounting, finance, business/public administration, economics or related field and at least three (3) years of progressively responsible experience in government finance/budgeting; or an equivalent combination of training, education and experience. Grant experience desired.

Anticipated starting salary for this position is \$51,563. The County offers an attractive benefits package.
