Positions available for the role of

Financial Analyst III

The City of Miami Beach is seeking an energetic and experienced individual who can contribute to our organizations overall success. We are dedicated to providing financial management and policy support, analytical services, and financial information to the City Manager, City Departments, the general public and others.

Who We Are

Miami Beach is known for many things including its beautiful beaches, Art Deco architecture, designer boutiques and locally and globally renowned restaurants.

The City of Miami Beach has even more to offer to You. The City of Miami Beach provides impressive benefit packages, competitive pay and an all-around satisfaction of being part of One Team and One City.

We at the City of Miami Beach uphold ourselves to a higher standard of service and believe in going above and beyond not for the community but for our employees as well.

If you are interested in being part of our City's journey to excellence guided by its mission, vision and strategic plan that is making Miami Beach a better place to live, work and play this may be an opportunity for you.

For more information about the City of Miami Beach please visit our website: <http://miamibeachfl.gov>

***Our Mission:** We are committed to providing excellent public service and safety to all who live, work, and play in our vibrant, tropical, historic community.*

The Position

The City of Miami Beach is looking for a critical thinker with accounting and financial reporting skills to join our high performance team!

This job entails preparing and/or supervising and reviewing annual, quarterly and monthly compliance and financial reports, reconciliations and analysis of general ledger accounts, and problem solving.

The ideal candidate will have:

- A Bachelor's degree in accounting or finance from an accredited college or university.
- Three (3) years full-time financial experience with government fund accounting.
- Considerable knowledge and understanding of generally accepted accounting principles (GAAP), and Governmental Accounting Standard (GAS).
- Experience in governmental fund accounting and adept knowledge and understanding of a comprehensive Annual Financial Report (CAFR).
- Knowledge of rules and regulations relating to finance and accounting operations.
