

CITY OF UMATILLA

"NATURE'S HOMETOWN"

POSITION ANNOUNCEMENT

FINANCE DIRECTOR

The City of Umatilla presents an outstanding opportunity for a well-qualified accountant experienced in governmental accounting principles and concepts along with desire to advance in management of local government. The City of Umatilla is located in northern Lake County, the Gateway to the Ocala National Forest. With a population at 4,000, the City provides Water & Wastewater Utilities, along with Sanitation and Stormwater Services and operates an active City Airport. The City provides Police services along with a Volunteer Fire Department, Library, Cemetery, Public Works and Administration.

The City is in a great position for future growth and has kept up with state-of-the-art infrastructure and systems to account for and support that expansion. The staff in the Finance Department is committed to excellence in spite of limited resources. The position of Finance Director is a key member of the senior management team that works closely to achieve great results.

Requirements for consideration for this position includes a Bachelor's degree in Public Administration, Accounting, or Business Administration along with three (3) to five (5) years experience in a related environment. There will be opportunity for specific training and coaching available in addition to an excellent benefit package and working environment.

Please provide resume along with letter explaining why you think this opportunity fits your plan for your future and what you can bring to the City of Umatilla. Direct response to "Finance Director", City of Umatilla, P.O. Box 2286, Umatilla, FL 32784 or by email to crogers@umatillafl.org.
