Description:

Join us on Thursday, November 7, 2024, at 6 pm for our chapter dinner meeting and training at Coopers Hawk Restaurant, 4473 Lyons Road, Coconut Creek FL 33073.

Well, known speaker and presenter Ms Gail Gray, Partner at LSL Consulting & Advisory will present on the topic:

"Generative AI with ChatGPT and Copilot - After the First Year: What Have We Discovered and Where Are We Going"

This presentation explores the transformative journey of Generative AI tools like ChatGPT and Copilot over the past year, highlighting key discoveries, advancements, and lessons learned. We will delve into how these AI technologies are reshaping workflows, enhancing productivity, and unlocking new possibilities for automation. The session will also discuss the symbiotic relationship between Generative AI and Robotic Process Automation (RPA), demonstrating how these technologies can work together to streamline operations, reduce manual effort, and create more intelligent, automated processes. Join us as we look forward to the future of Generative AI and RPA, exploring the exciting opportunities and challenges that lie ahead.

This is a great educational and networking opportunity!
