

FLORIDA GOVERNMENT FINANCE OFFICERS ASSOCIATION

CERTIFIED GOVERNMENT FINANCE OFFICER PROGRAM

PROGRAM INFORMATION – Revised August 2023

OFFICIAL APPLICATION INSTRUCTIONS

ABOUT THE CERTIFIED GOVERNMENT FINANCE OFFICER PROGRAM

The Certified Government Finance Officer (CGFO) Program is intended to encourage a level of knowledge and professionalism in the field of government finance. It is also intended to encourage development and maintenance of professional competence for practicing governmental finance officers. For purposes of the CGFO program, a finance officer is any individual occupying a professional level position that includes oversight and/or supervision of one or more financial functions in a government entity.

While the Florida Government Finance Officers Association, Inc. (FGFOA) certifies that individuals meeting the criteria in its professional certification program demonstrate certain competencies, the Florida Government Finance Officers Association expressly withholds an opinion as to the capability of any individual to successfully perform in a given position. Prospective employers and employees must make that decision. The Florida Government Finance Officers Association encourages prospective employers and employees to share information regarding the requirements of the position and the capabilities of the candidate in a forthright manner to promote sound employment and professional decisions.

CGFO CLASSIFICATIONS

Active CGFO – is defined as a CGFO who is an active, retiree, or associate member of the FGFOA, and is current with dues and other reporting requirements.

Suspended CGFO – is defined as a CGFO who is not current with their FGFOA membership dues or is out of compliance with their CPE reporting requirements, or has not successfully passed the Ethics exam, or completed Florida Commission on Ethics’ online training course titled “Florida’s Code of Ethics, Sunshine Law, and Public Records Acts”, or any other Board approved equivalent training course within the six-month grace period. While on suspended status, the CGFO designation cannot be used.

Retired CGFO – is defined as a CGFO who is currently bona fide retired. Retired CGFOs must denote their designation as “CGFO/Retired”.

MOST COMMONLY ASKED QUESTIONS ABOUT THE CGFO PROGRAM

How do I apply?

The candidate must complete an official online application form, which outlines their education, government work experience, and includes a minimum of two (2) letters of recommendation. Once approved by the committee, the candidate will be notified. After acceptance into the program, candidates will request the link to the open book Code of Ethics for Public Officers and Employees Examination, which must be completed within fifteen days (15) days. Once the candidate has successfully passed (achieved a minimum score of 75%) the Ethics Exam, the candidate may sign up for one or more of the CGFO examinations. If the candidate does not successfully pass the Ethics examination within the 15 days, they may request an additional 15 days. Candidates who do not successfully pass the Ethics Examination after 30 days, will need to reapply to the program and re-pay the \$50 application fee.

What are the minimum requirements for sitting for the exam?

Three years of governmental work experience in a financial capacity; a baccalaureate degree from an accredited institution in Accounting, Business Administration, Public Administration or a closely related field; and a minimum of two (2) letters of recommendation. In addition, all applicants must successfully complete an open book Ethics Exam. A minimum score of 75% is required for a passing score.

What is the Cost of the Program?

There is a non-refundable application fee of \$50.00 and a \$30.00 sitting fee for each exam.

What if I don't pass the exams on the first try?

You have up to five years to pass all five exams before you must reapply and re-pay the \$50.00 application fee. Each time you take an exam, you must pay the \$30.00 exam fee. This fee is to help defray the administrative costs associated with examinations.

After becoming a qualified candidate, when do I sit for the exam?

When you have qualified to sit for the exam, including successfully passing the Ethics exam, and have paid for your exams in advance, you may sit for any available exam session. If no advance notice is provided, exam fees are forfeited.

How frequently is the exam given and when?

The exam is offered in conjunction with the School of Governmental Finance in the fall, at the Annual Conference in the summer and at announced sites in the spring.

What are the application deadlines?

Applications must be received forty-five (45) days prior to the scheduled exam. This is to ensure that the applications and registrations can be processed in time to allow for adequate preparation for the exam and allow sufficient time for the Ethics exam to be distributed and graded.

Do I need to take the exam review sessions? How many times are these sessions offered?

While it is recommended that candidates take the review sessions, they are not required. The candidate should study sufficiently on their own using the suggested review material to help them pass the exam. The review classes are not intended to be a substitute for proper preparation for the exam. The CGFO review sessions are provided in conjunction with the School of Governmental Finance in the fall and webinars are offered prior to the spring exam.

3. submit a minimum of two letters of recommendations
4. successfully pass an open book Ethics exam
5. accept the FGFOA Code of Ethics

The candidate has five years to pass all five exams in five subject areas in order to receive the CGFO designation.

A copy of the candidate's diploma, transcripts, or other written proof of completion of a degree program must accompany the candidate's application.

EXPERIENCE – The CGFO program is designed to distinguish professionals engaged in the field of government finance. Candidates for certification must complete either 36 or 60 months of governmental work experience with appropriate degree (see eligibility requirements number 2 above). Qualifying experience consists of employment in a governmental entity (city, county, school district, special district, state or federal) in a professional level non-clerical financial capacity. Employment in a financial capacity includes work involving treasury, debt administration, financial administration, accounting, auditing, budget, risk management, tax management, or purchasing. External auditors of governmental entities employed by non-governmental entities, i.e., CPA firms, IRS auditors of individual tax returns, internships, and trainees, clerical, or non-technical positions do not provide appropriate experience to fulfill this requirement.

REFERENCES – A minimum of two letters of recommendation are required. One reference must be from the candidate's employer (supervisor, manager or human resource official) verifying length of employment, summary of duties currently performed and a statement regarding applicant's eligibility into the CGFO Program. The second letter should be a character reference from a non-family member, preferably from a CGFO or person with another professional designation in the accounting industry. If the length of time with current employer is less than three (3) years, a letter from the applicant's previous employer verifying length of employment and a summary of duties performed is also required. References from employers current or past must document a minimum of three year's governmental work experience. Thus, to meet this criterion, more than two references may be required in some cases.
