## AICPA and NASBA's New CPA Exam Draft Content Survey

Attention FGFOA Members,

The American Institute of Certified Public Accountants (AICPA) has been working with the National Association of State Boards of Accountancy (NASBA) to redevelop the CPA exam. Part of the initiative requires a practice analysis to be conducted to ensure the revised exam will remain aligned with the professional practices newly licensed CPAs will encounter.

As part of the analysis, the AICPA is conducting a preliminary draft CPA exam content survey which presents a valuable opportunity for FGFOA members to provide feedback on the proposed content of the future revised CPA exam. The FGFOA strongly encourages its members to review the draft exam content and complete the survey to ensure governmental accounting and financial reporting continue to be included.
