

FGFOA Mentoring Program

Are You Looking for Career and Leadership Development Assistance?

The FGFOA's Mentoring Program formerly known as the "Coaching Program" is a great way to propel your professional career to the next level! Participants are paired with an experienced government finance professional whom they can communicate with in order to discuss career goals, seek advice, and get support along their path to a successful career!

The *newly* redesigned program will accommodate four scheduled virtual meetings for each Mentor & Mentee for 2020-2021 Program Year. In these pre-scheduled sessions, four Career and Leadership Topics will guide your conversations:

- *Careers in Government Finance and Finding Your Place*
- *Work/Life Balance and Sustaining It in Your Career*
- *What's the Right Certification? What are the education and CPE Requirements?*
- *Creating Connections, Maintaining Communication, and Networking*
