Presenter:

Tina Travieso, Chief Information Security Officer, Palm Beach County Information Systems Services Department

Overview:

This webinar cover topics related to Cybersecurity as it relates to government. With more and more employees working from home, government agencies must protect their organizations from cyber threats. Users across the board expect their data to be protected and accessible at any given moment. Emerging cyber threats and changing landscape require service providers to approach cybersecurity as a lifecycle. This presentation will provide tips and tricks that government agencies can use to reduce the opportunities for cyberattacks.

Learning Objectives:

- Cybersecurity Threat Trends
- Basic Cybersecurity Hygiene
- Data Protections

CPE Reporting Verification: Your participation will be recorded through the webinar software. You must be present and signed in the entire 100 minutes to receive credit.
