Are You Prepared for the Next Cyber Attack?***

Thursday, September 23, 2021

2:00 p.m. – 3:40 p.m. EDT

CPE: 2 Hours TB

Field of Study: Information Technology - Technical

Presenters:

F. Alex Brown, Principal, Plante Moran

Jennifer Fiebelkorn, Principal, Plante Moran

Overview:

In today's environment we have seen many headline stories of cyber threats and attacks against various business, governments, and educational institutions. Predictions forecast that these trends will continue to grow as cyber threats evolve. So how do we understand and prepare for these potential threats? This presentation will provide an overview of cybersecurity trends in today's environment, provide a forward look into upcoming threat trends, and provide an overview and best practice tips for preparing against these threats.

Learning Objectives:

- Understanding of cyber threats in today's landscape
- How identify potential threats to your organization
- How to prepare to reduce the risk of cyber threats impacting your organization
- Consideration for cyber security if security responsibilities are outsourced
