Presenter: Marcela Millett, Senior Strategic Planning & Performance Analyst, for Palm Beach County

Overview:

Psychological Health and Safety in the workplace represents a benchmark and managerial approach outlining the criteria for systematically fostering and preserving a psychologically healthy and secure work environment. Navigating organizational culture and ambiguity demands strategic leadership capable of not only offering guidance but also cultivating ownership and alignment among their teams to foster a safer workplace. Join us to gain insights from our panelists on enhancing and cultivating a psychologically safe workplace environment, whether in physical office spaces or virtual settings, to propel organizational progress.

Learning Objectives:

- Learn to be a compassionate leader with the emphasis on empathy and human-centered leadership.
- Learn about and understand the 4 stages of Psychological Safety for the collective well-being of an organization.
- Develop skills to influence and guide decisions in an organization without hurting your team and peers

CPE Reporting Verification: Your participation will be recorded through the webinar software. You must be present and signed in the entire 100 minutes to receive credit. The FGFOA will receive a verification report after the webinar and will prepare the CPE certificates. You should receive your certificate via email in approximately 30 days.

This program being offered free of charge.
