

FGFOA Free Internet Based Webinar
Pensions: Long Term Investment Trends and Impact on Budget
Thursday, June 17, 2021
2:00 p.m. – 3:40 p.m. EDT
CPE: 2 Hours TB
Field of Study: Finance-Technical

Presenters:

James J. Rizzo, ASA, MAAA

Piotr Krekora, ASA, MAAA, PhD

Senior Consultants and Actuaries, Gabriel, Roeder, Smith & Company

Overview:

This webinar provides government finance officers with input from professional investment forecasters and actuaries concerning where pension investment returns are expected to go in the future and how that might influence pension return assumptions, budgets and balance sheet liabilities.

Learning Objectives:

1. Learn why recent and current forecasts are lower than before.
2. Learn how to assess whether your fund's return assumption is in the mainstream of professional forecasters.
3. Understand the ripple effects and implications of overly optimistic pension return assumptions for funding, disclosures and for collective bargaining.
4. Learn how much your contribution rates and balance sheet liabilities might rise due to lower return expectations.
5. Learn ways to mitigate the increases in contribution requirements.

NOTE: This is a new registration process for our monthly webinars in an effort to streamline the registration and CPE process. Please see below:

Log in to your FGFOA account and click on the Events tab at the top of the page to register:

[CLICK HERE -- FGFOA Events](#)

You will receive the link to Join the Session on the Day Prior to the Webinar

You will need your FGFOA member ID to register for our free webinars.

NOTE: All Webinar information will be sent via email. Please confirm that you enter your correct email address when registering.

CPE Reporting Verification: Your participation will be recorded through the webinar software. You must be present and signed in the entire 100 minutes to receive credit. The FGFOA will receive a verification report after the webinar and will prepare the CPE certificates. You should receive your certificate via email in approximately 30 days.

This program being offered free of charge.

System Requirements

PC-based attendees

Required: Windows® 7, Vista, XP or 2003 Server

Macintosh®-based attendees

Required: Mac OS® X 10.4.11 (Tiger®) or newer
