

Reminder -- GASB Proposed New Implementation Guidance

The GASB proposed new implementation guidance, [Exposure Draft – Implementation Guidance Update—2021](#), which contains new questions and answers that address the application of GASB standards on leases, fiduciary activities, and other topics. The Exposure Draft also proposes amendments to previously issued implementation guidance.

The public comment period for the proposal ends February 15th, 2021. To see other proposed GASB standards currently available for public comment, please [click here](#).
