

This is a reminder that the deadline for completing the GASB's survey regarding the reporting of nonfinancial assets is **Tuesday, November 24**. If you already have responded, thank you for taking the time to share your views with the GASB.

The survey should take about 10–15 minutes. You can access the survey by clicking [here](#).

The survey is part of a GASB research effort that, in part, will evaluate the need for specific guidance related to the nonfinancial asset classification. (Further information about the research can be found on the [dedicated page on the GASB website](#).)

If you would like to review the survey before responding, you can download it in its entirety from the first page of the survey. You also can save your survey answers once you have started and return to complete the survey later.

Again, thank you in advance for your feedback. This input is vital to the GASB's efforts to improve accounting and financial reporting.

If you have any questions, please feel free to contact Erin McKenzie, Project Manager (emckenzie@gasb.org). We look forward to hearing from you.

Sincerely,
David R. Bean
Director of Research and Technical Activities
Governmental Accounting Standards Board
