## **Reporting Deadline Extension Ends November 15th Local Government Financial Reporting Pursuant to Sections 129.03 and 166.241, F.S.**

The Office of Economic and Demographic Research (EDR) is requesting your assistance in communicating this FINAL reminder of this annual reporting requirement to county and municipal government budget officers.

Due to the challenges facing many local governments after recent Hurricanes Helene and Milton, the statutory reporting deadline of October 15, 2024, was extended to Friday, November 15, 2024. As of this writing, 19 counties and 233 municipalities have not yet reported their respective local government financial data to EDR. Please refer to the attached list.

After the November 15<sup>th</sup> deadline passes, reporting forms will no longer be accepted. EDR staff will begin compiling the data, which will eventually be posted online for legislative and public review.
