Description: Beyond the Drift - From Ordinary to Extraordinary Leadership If you have even wondered how to engage or motivated your team, or even yourself, you don't want to miss this session? Whether you are the leader of the team or a member of the team, a cohesive and engaged team is a must. The question becomes how is it possible, among all the distraction of life? In today's fast paced, and every changing environment it can feeling like you are multi-tasking, juggling and even barely surviving, and yet, as a leader your focus needs to be your team. Take an introspective look at your own leadership, and the

impact you have on others. Everyone can lead in a way that inspires, motivates, and engages others no matter. Immediately following the training, we will have our local chapter meeting.
