

2024-2025 FGFOA State and Local Chapter Membership Renewal

NOTE: You must renew your annual membership dues to enjoy all of the member benefits. As of November 1, 2024, you will not be able to attend the free monthly webinars if you have not renewed.

Exciting news! Renewing your membership with both the local chapter and state organization has become even more convenient. We are thrilled to announce a new partnership between the FGFOA and our local chapters, streamlining the renewal process and enhancing member support.

Under this partnership, the FGFOA will provide administrative assistance to each local chapter, simplifying tasks such as dues collections, banking, event registration, and CPE reporting. It is essential to note that each chapter will retain its autonomy, ensuring that local leadership continues to guide decision-making processes, and spending authority.

So, what does this mean for you, our valued member? It means that when you renew your state membership, you will now select the local chapter or chapters you wish to be affiliated with. You have the flexibility to join multiple local chapters, tailoring your membership to your specific interests and needs. Plus, the renewal process is now seamless – simply select your desired chapter and membership type during renewal, and your local chapter membership fee will be conveniently added to your state membership fee.

This collaboration enables our local chapters to concentrate on delivering exceptional networking and educational opportunities in your area, while you continue to reap the benefits of your FGFOA membership. These benefits include:

- Networking opportunities with government professionals
- Free monthly webinar education sessions on relevant topics
- Discounted rates to the Annual Conference, showcasing the latest government trends
- Discounted rates to the School of Governmental Finance for continuous

learning

- Participation in peer benchmarking initiatives
- Opportunities for leadership development within the organization
- Access to specialized programs such as Boot Camp, Leadership FGFOA, Mentoring Program, and CGFO review courses

We are committed to providing you with unparalleled support and resources to advance your career and contribute to the excellence of our profession. Your continued membership strengthens our community and allows us to better serve you and your governments.

Renew your membership today and experience the enhanced benefits of our partnership between the FGFOA and our local chapters. Thank you for your ongoing support and dedication to excellence in government finance.

NOTE: We process checks daily. If you have recently mailed a check, be aware that our system will automatically send you a confirmation email when your check has been posted.
